

MULGRAVE CRICKET CLUB INC.

Incorporation Number A0032415M

Founded 1905

Club Rooms: Garnett Road Wheelers Hill, Phone 9795 5301

26th October 2006

The offer of an e-commerce website from ShoppingTrader.com was very timely for our club.

We had been seeking a low cost way to have a credit card facility for our club members to use. This would solve the annual problem of getting cash into the club's finances, earlier in the season. Previously many members would pay late, which strained our finances early in the season.

Now that the members can pay off their subs using their credit card in their own time, we are getting their subs in early in the season. All are winners.

All the main banks wanted too much money to set up this facility. ShoppingTrader.com's e-commerce gateway via PayPal was low cost and easy to set up.

And it solves another issue - that of the Treasurer holding a lot of cash and having to take this to the bank. The e-commerce gateway increases our cash security procedures.

The website also gave us the chance to sell club merchandise via this gateway, increasing our turnover and as well as allowing us to control our inventory.

Finally, it gives our club a very generous reward, as when our membership use the ShoppingTrader.com site to sell any items they have to sell, 10% of Gross Income from our members' ads are donated to the club. This is very generous indeed, when you consider that many other community based rewards only offer 1% of purchases.

Well done, ShoppingTrader.com on giving us ways to help our club, as well as sponsorship dollars for our members using your service."

Yours Sincerely,

James Morris
